

Q-COAT AC™

BRUSH/ROLL
COATING

*Designed to meet the
requirements of brushing
or rolling on location!*

Q-COAT AC™ Air Dry Brush/Roll Coating is formulated with special resins and UV resistant pigments to provide a durable, fast dry, single component, acrylic based product. Used extensively on wayfinding, plaques, signage, and interior / exterior displays or wherever on location painting needs to be completed quickly and cost effectively.

Available in stock colors, pre-mixed program colors or when utilizing a mixing machine, colors can be mixed by using the Q-COLR™ Concentrated Colorants and Q-BASE AB™ Binders.

Q-BASE AB™ BINDER GLOSS LEVELS

High Gloss

Low Gloss

Semi-Gloss

Matte

Mixing with our uniquely formulated Q-BASE AB™ Brand Binders results in lower inventory requirements, consistently reproducible gloss levels, and reduced labor steps during application.
